PLAZA MARKET

TRANSMISSION.05

TRANSMISSION/PLAZAMARKET.05, curated by progettozero(+), in cooperation with Stefano Coletto, has been a MOBILE RESIDENCE formed by a group of artists mostly coming from the University IUAV of Venice (Faculty of Visual Arts). This small community has been on TOUR from the end of May to the first days of June with the aim of experimenting some particular ways of interaction: the action context has been the one of POPULAR MARKETS.

The artists have been asked to search for useful elements to re-draw the lines of human relations through creative activities, following the group's guidelines and correcting them, when needed, through their path.

This project is the result of the cooperation of a base group of artists and curators that have been joined by some others: Andres Aguirre, Marco Baravalle, Ana Maria Bresciani, Peppe Clemente e Antonio Scarponi, Raffaella Crispino, Hen Jam, Anna Paola Passarini, Giuliana Racco, Gastón Ramirez, Felix Ruffert, Sigrídur Dora Johannesdóttir, Nikola Uzunovski, xforma.
